

Attention Brothers and Sisters of the BAC;

My name is Mark Davis and I am a proud Local 7 member since 1996.

I am pleased to announce a monthly MAP (Members Assistance Program) meeting that will be held on the last Wednesday of every month at BAC Local 1 Union Hall.

This began as a peer group meeting back in 2010 for TMT Local 7 NY, NJ members under the leadership of former President Thomas Lane and continued by current President William Hill. It has been a safe place for union members to come and speak freely about their issues as they pertain to drug and alcohol addiction and has always served as a link for members to support one another.

Recognizing the rise in drug use amongst BAC members, Jeremiah Sullivan President of BAC Local 1 NY, has agreed to host all future meetings therefor making them available to all BAC crafts.

Please help to spread the word. Join us if you need support or would like to support a fellow Brother or Sister.
