

Brothers & Sisters,

Our primary concern at BAC Local 1 is the health, safety, livelihood, and well-being of our members and their families during this crisis.

If you are unable to work due to circumstances related to the COVID-19 pandemic, please refer to the Charts below which outline government benefit programs that are available to address the ongoing crisis. Several of these programs are NEW and specifically developed this week for the purpose of addressing the COVID-19 pandemic.

Please review the charts below carefully - the various programs (Federal, NY / NJ) may be available to you depending upon the extent and particular circumstances under which your ability to work has been affected by the COVID-19 pandemic.

We will continue to carefully monitor the situation as it develops. Although we plan to keep the BAC Local 1 office open for the foreseeable future subject to a government mandated closure, upcoming Chapter Meetings are canceled until further notice.

We hope that you and your family remain safe and healthy during this crisis.
